

CHURCH NORMAL STARTS TONIGHT

WOMAN COULD NOT SIT UP

Now Does Her Own Work.
Lydia E. Pinkham's Vegetable Compound Helped Her.

Trouton, Ohio.—"I am enjoying better health now than I have for twelve years. When I began to take Lydia E. Pinkham's Vegetable Compound I could not sit up. I had female troubles and was very nervous. I used the remedies a year and I can do my work and for the last eight months I have worked for other women, too. I cannot praise Lydia E. Pinkham's Vegetable Compound enough for I know I never would have been as well if I had not taken it and I recommend it to suffering women."

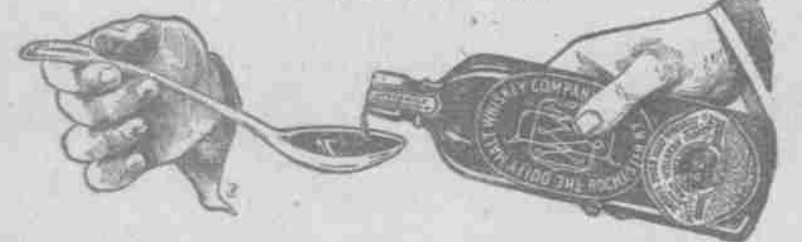

Daughter Helped Also.
"I gave it to my daughter when she was thirteen years old. She was in school and was a nervous wreck, and could not sleep nights. Now she looks so healthy that even the doctor speaks of it. You can publish this letter if you like."—Mrs. RENA BOWMAN, 101 S. 10th Street, Trouton, Ohio.

Why will women continue to suffer day in and day out and drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

Avoid Winter Colds

Serious complications often result from neglected colds at this season of the year. Grip and Pneumonia are prevalent—for your own good—Be Careful. Take

Duffy's Pure Malt Whiskey

With its temperate dosage of a tablespoonful in an equal amount of water before meals and on retiring it will stimulate the mucous surfaces and little glands of the stomach to healthy action, thereby improving the digestion and assimilation of the food, thus giving the system health and strength to throw off grip and pneumonia breeding germs.

Chicago, Ill., wrote us: "Permit me the pleasure of telling you that your Malt Whiskey is invaluable for any wasting diseases where a tonic and food is needed. Have had special success with it in the late epidemic of La Grippe, where it did yeoman service."

Duffy's Pure Malt Whiskey has served profession and laity faithfully for more than fifty years. It is not reasonable to suppose that it is all that is claimed for it? Protect yourself—Buy a bottle at once.

Sold in SEALED BOTTLES ONLY. Beware of imitations.

NOTE Get Duffy's from your local druggist, grocer or dealer, \$1.00 per bottle. If he cannot supply you, write us, we will tell you where to get it. Medical booklet free.

RECLAMATION MEETING IN SESSION

Government Officials Discussing Matters of Interest to the Southwest

Friday morning the first annual conference of operation and maintenance officials of the United States reclamation service to be held in El Paso was opened at the chamber of commerce. The meetings have been held at the El Paso Hotel since the first of the year. The officials attending the present conference have all come from the various districts where a conference was held early this year.

Prinkey's sessions were taken up chiefly with an interchange of ideas regarding costs, maintenance and construction. The Elephant Butte, Carrizo, Yuma, and Salt River projects are represented and problems confronting various officials will be discussed. Public is invited.

The public, especially the members of the Water Users' association and valley farmers, are invited to attend the Saturday sessions, which will begin at 10 o'clock in the morning. Subjects of general interest to farmers and water users, such as markets for crops, loans for livestock feeding, farmers' cooperative organizations and general talks on irrigation farming will be discussed at the Saturday meetings.

Publicity, resulting in taking the water user, who finally pays the bills, into the complete confidence of the reclamation service, has worked wonders in the last few years, according to J. D. O'Donnell, supervisor of irrigation, who is one of those attending the meetings.

All Hard Feeling Is Gone.
The hard feelings between the water users and the service have completely died out," he said. "The service wants the water user to know everything about the business and it is going out of its way to see that he gets the facts. Monthly statements of costs are now furnished and water users can get prompt information on any facts they wish. From the first the water users have joined with the service and there is now a splendid spirit of cooperation."

The water users will take over the projects after they are completed and the more they know about them the better they will be able to handle them when they come into control. With the monthly statements, numerous set-together meetings and a general policy of publicity regarding all work that is being done, the service is working to bring about close and harmonious relations between itself and the water users.

CHAMBER OF COMMERCE TO CONSIDER FAIR EXCURSION

Action regarding the proposed "El Paso Exposition Special" was referred to the directors of the chamber of commerce at a meeting of the excursion committee, held Thursday afternoon. Pictures on the cost, duration, and accommodations of the excursion were submitted to the committee by Frank Dunham, who will manage the excursion.

He will prepare a full report and the directors will then take action as to whether the change of ownership will assist in the preliminary financing, which, if done, will be paid back when the excursion is organized.

Members of the committee expressed the opinion that the trip would be an excellent advertisement for the city. Those present at the meeting were: Harry S. Potter, Henry S. Beach, E. S. Neff, W. G. Roe, Frank Dunham and Andrew Reeves.

DAILY RECORD

Building Permits.

To J. S. Morris, to change the front at 204 Mills street; estimated cost \$100.

To T. W. Ferguson, to build a frame kitchen at 2411 Findlay street; estimated cost \$75.

J. W. EVERMAN MAY BE PRESIDENT OF THE T. & P.

Dallas papers are conducting a campaign for the promotion of J. W. Everman, formerly general superintendent of the Texas & Pacific, to be president of this road when president E. F. Kearney goes to the Washburn railroad as president.

Mr. Everman is now general manager of the Cotton Belt line and movements have been started in Dallas, Fort Worth and other east Texas cities among the business men to have Mr. Everman named to head the T. & P. organization.

Mr. Everman is well known in El Paso, having been a frequent visitor here when making inspection trips over the Rio Grande division of the T. & P.

TWO SMALL FIRES BURN THURSDAY

The fire department responded to two alarms in less than an hour Thursday afternoon.

The first call came at 4:25 from 511 North Florence street, where the wallpaper covering a fire in the house occupied by Mrs. T. A. Barbee caught fire from the chimney. The paper around the fire burned, but no other damage resulted.

The second fire occurred at 1022 Magoffin street. Gasoline in a can under a gasoline stove caught fire. No damage resulted. The house is occupied by Mrs. F. D. Baird.

WIMBORNE IS IRELAND'S LORD LIEUTENANT NOW

Dublin, Ireland, Feb. 19.—Baron Wimborne was sworn in today as lord lieutenant of Ireland at a meeting of the privy council held in Dublin castle. Baron Wimborne succeeds lord Aberdeen, who has held the post of lord lieutenant for the past nine months.

STRAIL SAFER; NOTHING IN IT.

Washington, D. C., Feb. 19.—The Jacksonville Express of the Seaboard Air Line railway was boarded Thursday night at Alexandria, Va., by two robbers who, after holding up and robbing the express messenger, rolled the safe off the train at Franconia, three miles beyond, and escaped. Express company officials here said there was nothing in the safe.

ALBUQUERQUE WIRES FOR CONVENTION HEADQUARTERS

Requests for reservations have been received from the Albuquerque delegation to the Panhandle and Southwestern Cattlemen's association convention, are being received by secretary A. W. Reeves of the chamber of commerce and the headquarters of the local hotels have been taking reservations since the first of the year and now report that they will be unable to take any further reservations as every room has been reserved for.

Other hotels have steadfastly refused to make any reservations in advance and it will be a case of "first come, first served" with them. They look for a real rush to start about a week from tomorrow.

Arrangements have been made with private rooming houses, family hotels, and apartment houses, to take care of several hundred visitors and hotel men state that while things will be a bit crowded, they will take good care of every visitor.

The local restaurant men are also looking ahead to busy times and some of them are already making extensions of their establishments so that the many visitors will be taken care of while in El Paso.

PFANSHMIDT IS AGAIN ACQUITTED OF MURDER.

Quincy, Ill., Feb. 18.—Ray Pfanschmidt today was found not guilty of the murder of Miss Emma Kaempfen by a jury at Princeton, Ill. The verdict marked the close of Pfanschmidt's third trial in connection with the death of his parents, Mr. and Mrs. Charles Pfanschmidt; his sister, Blanche Pfanschmidt, and Miss Kaempfen, a school teacher, who were found murdered Sept. 19, 1912.

In the previous trials Pfanschmidt was once found guilty and once acquitted.

C. R. ERWIN RESIGNS FROM LORD AND THOMAS.

C. R. Erwin has resigned from the presidency of Lord & Thomas, advertising agency, and has been elected president of the firm of Erwin, Wasey & Jefferson. Mr. Erwin has been with Lord & Thomas for 10 years and since the death of A. L. Thomas eight years ago has been president of that concern.

Perhaps no advertising man in America is better known as a handler of large and successful advertising campaigns than is Mr. Erwin.—Advertisement.

ROOM RESERVATIONS HAVEY FOR CATTLEMEN'S MEETING

With the Panhandle and Southwestern Cattlemen's association and the heavyweight fight at Juarez, hotel accommodations in El Paso will be taxed during the first week in March. The majority of the local hotels have been taking reservations since the first of the year and now report that they will be unable to take any further reservations as every room has been reserved for.

Other hotels have steadfastly refused to make any reservations in advance and it will be a case of "first come, first served" with them. They look for a real rush to start about a week from tomorrow.

Arrangements have been made with private rooming houses, family hotels, and apartment houses, to take care of several hundred visitors and hotel men state that while things will be a bit crowded, they will take good care of every visitor.

The local restaurant men are also looking ahead to busy times and some of them are already making extensions of their establishments so that the many visitors will be taken care of while in El Paso.

Washing Won't Rid Head of Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning most, if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and itching of the scalp will stop at once, and your hair will be fluff, lustreous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.—Advertisement.

TRIAL OF PATROLMAN WHO KILLED NEGRO IS STARTED

The examining trial of policeman Ivy Finley, charged with the murder of David Jones alias Richard Grayson, the negro who shot and killed patrolman Gus Chittwood Saturday night, was begun before Justice J. J. Murphy Thursday afternoon and continued this afternoon.

Policeman R. E. Edwards and Ellen Jones, wife of the dead negro, were the only witnesses examined. Officer Edwards testified to the killing of the negro, which occurred in a room at the police station. The shooting occurred, he stated, after the negro had lunged forward from his chair and grabbed his (Edwards's) pistol. Both were struggling for the pistol when officer Finley fired, killing the negro almost instantly.

The negro's wife stated that her husband's real name was David Jones. She admitted that he had trouble with the police and shot an officer in Okmulgee, Okla.

What Rigid Inspection Means

Maintaining the quality of a number of products with a large business and varying buyer's requirements is not always a simple matter. It can only be accomplished where the most careful inspection of all products is frequently made.

At Port Arthur, Texas, laboratories are maintained to permit of the continuous inspection of Texaco Products manufactured there, so that quality, for which they are famous, will be kept up.

These laboratories have further matters to consider, for they are the places where new ideas, methods and possibilities are thoroughly tried out and investigated with the object of providing the best possible means of manufacture and the most practical value.

Port Arthur laboratories are a part of Texaco Quality and Service by which these products made in Texas have been foremost in oil manufactures.

Quality and Service are available for you in your own town. Consult our agent. He can tell you what you need.

The product will please you.
